Dijon Chicken Asparagus Roll Ups

3 tablespoons Dijon mustard	2 teaspoons dried thyme	4 skinless, boneless chicken breast halves (about 5 ounces each)
½ cup low fat mayonnaise	2 teaspoons black pepper	4 slices skimmed mozzarella cheese
1 lemon, juiced (approximately 3 tablespoons)	½ teaspoon salt	1 cup panko bread crumbs
	16 spears fresh asparagus, trimmed	

Preheat oven to 400 degrees F. **Grease** an 11-by-7-inch baking dish. In a bowl, **mix** together the mustard, mayonnaise, lemon juice, thyme, salt and pepper; set aside. **Place** asparagus in a microwave safe dish and **microwave** on high 1-1½ minutes. **Place** chicken breasts between two sheets of heavy plastic (a re-sealable freezer bag works well) on a firm surface. **Pound** the chicken breasts with the smooth side of a meat mallet to thickness of ¼ inch. **Place** one slice of cheese and four asparagus spears on each breast. Tightly **roll** the chicken breasts around the asparagus

and cheese. **Place** each, seam side down, in the prepared baking dish. **Apply** a coating of the mustard mixture to each chicken breast and **sprinkle** each with the panko crumbs, **pressing** the crumbs into the chicken to secure. **Bake** 35 minutes or until the chicken temperature is 165 degrees F. Homemaker President Greetings

Happy APRIL and SPRING to All!

By the time—you get your newsletters—we will have **more DAYLIGHT time—SPRING starting on March 20** AND the **month of APRIL** will mark that one quarter of the year is behind us! Where is 2023 going? I think we better celebrate and enjoy each day as it comes! After the recent Windstorm, I think we discovered how blessed we are. Continued thoughts and prayers to those who struggled with the loss of power and electricity—not to mention the loss of food, homes, and life!

On a more positive side, **SPRING** does symbolize a season of hope and joy. With spring, comes so many new opportunities and changes we can experience. Once the weather settles down, make sure you read over the newsletter and check out the following items:

- **Kentucky Proud Evenings**—these are a series of monthly talks by famous authors—you may have recall them before Covid and attended them. Now we have more LIGHT...so it may be worth checking it out. I attended one in February and the author spoke, sold, and signed books. We had light refreshments—it was a refreshing evening! Many sessions are planned!
- **The “Calendar Cooking” Class** is something new—many sessions are planned monthly, and the calendars are simply wonderful. Recipes are nice and easy too. This “Calendar Cooking” project is one that all should check out for some fun eating!
- By now, the **“Quilters Day Out”** would have occurred so many of you have been inspired to quilt and sew more. A great day! Try and take advantage of all the FCS classes.
- Save the date for the next **Homemaker Board meeting—Tuesday April 11, 2023, 6:00—7:00 pm – All clubs need to send a representative**
- Save the date for **Monday, May 22, 2023**, for our spring celebration **“Bloom where you are Planted”**. More details are in this newsletter.
- Check out all special classes for basketmaking and sewing.
- The Gardeners Toolbox will be coming out with more classes—many are ready to get their hands dirty and work in the rich soil.
- If all else fails there are always ball games on television and Hallmark movies to watch!
- **Get creative and have fun!**

For the month of APRIL here are a few fun notes, tidbits, and interesting facts:

April 1st—better known to many as **“April Fool’s Day!”** Da day so spread a little cheer and a smile to others—I think we all need a smile

April 2nd—**National Peanut Butter and Jelly Day (P and J)**—doesn’t that bring back some great childhood memories! Fix one with a glass of milk!

April 4th—Marks the historical anniversary of the **assassination of the Civil Rights leader—Dr. Martin Luther King, Jr.**

April 7-8 and -9 --This weekend is observed as **Good Friday, Easter, or Resurrection Sunday**. Easter is not always celebrated in March but can occur anything between March 22 and April 25—it all depends on the Moon. A great time for family, friends, and church celebrations. Try some new recipe for your special dinners. If the weather permits—a good old fashioned Easter Egg hunt is always fun! **Yummy Easter treats!**

April 9—National Unicorn Day—a fun and magical day!

April 10—National Sibling Day! Share some extra **LOVE** that day!

April 11—National Pet Day—do you have a special pet? Share some special treats with them! (Woof Woof! Meow! Tweet Tweet!

April 23—**National Book Day**—grab your favorite book and spend a nice afternoon reading.

April 30—**National Honesty Day!** That speaks volumes!

Continue to be safe and enjoy the Spring season—Stay warm and cozy! I promise Spring is coming!

HAPPY SPRING!

Love and Blessings to all!

Alyce Emerson, President

Preparing for tax season is half the battle

Now is the time when we start thinking about filing our income taxes. Even though it's an annual event, it can cause anxiety for many. By preparing now, you can ease the process for yourself or your tax preparer.

Begin by gathering the necessary forms including your social security number and that of your spouse if filing jointly, plus the numbers of any dependents. In addition to W-2 forms, you want to include information about any taxable interest you earned from savings accounts, stocks, mutual funds and virtual currency transactions. You will need to gather other 1099 forms from any earned compensation, including unemployment compensation, pension distributions, annuity or retirement plans or contract employment.

Additionally, have a copy of last year's federal and state tax returns accessible, and your bank account and routing number to receive any refunds by direct deposit. Depending on your circumstances, you may need to include Form 1095-A, Health Insurance Marketplace Statement. One of the largest deductions many people can claim is mortgage interest. If you have a mortgage, you should have a 1098 form from your lender specifying how much interest you paid in the last year. Mortgage interest and points paid for a 2022 home purchase in 2022 are tax deductible if you itemize.

If you expect a refund, different factors may impact it when you receive your return. The IRS issues most refunds within 21 days, however, the IRS cautions taxpayers not to rely on receiving a refund by a certain date. Returns that require additional review can take longer, especially considering the record number of identity theft and refund fraud claims brought about by the pandemic.

To receive your refund quickly, electronically file your taxes as early as possible and choose the direct deposit option.

If you owe the IRS money this year, you may want to consider changing your withholding status with your employer moving forward. This will allow the employer to withhold more money from your check throughout the year, so you're not hit with a big payment next year.

For general information on filing taxes this year, visit <https://www.irs.gov/newsroom/tax-time-guide-things-to-consider-when-filing-a-2022-tax-return>.

If you have questions about whether certain tax laws apply to your individual circumstances, consider using the IRS Interactive Tax Assistant tool at <https://www.irs.gov/help/ita>. This free online tool can help you determine if you need to file a tax return, your filing status, if you can claim a dependent, if your income is taxable, tax credit eligibility, or if you can deduct certain expenses.
